1. The words that I give you are pure gold are they not? Pure gold refined by the fire, burnished brass, standing; gold that has only one head, one heart, one mind, yea Mine; one blood, Fathers all.

2. See what I do with My words; the words that I craft night after night, day after day, week after week, yea three years, plus; now coming into fruition in ways never anticipated or seen by the ways of man-fleshed.

3. My appearing is nigh unto thee in ways unanticipated, unexpected, unimagined; unimaginable? But yea, who can know the ways of My Mind/Father? Who can know the keys of the Kingdom that reside in you, yea already do; active and mortifying the flesh, yea dust to refined gold be, yea an everlasting eternal rainbow-head'd?

4. I love you. I give you Me into a new place. I give you you into a new place; you now coming into a place of your own not, but yea all provided by Father's will; you choosing Father above all, above Me, My heart, thank you. My heart is, thank you, all one and you show all. Thank you.

5. Yea unto Me is born, yea in the city of David not, but Tulsa, yea a man of My choosing; a man simply who chose Me, taking Me at My word, taking all My words as My word and not picking and choosing; being not afraid as I told him; willing to be wrong, so that he could be willing to be right; and in willing to be wrong, being nurtured; harassed not, but yea caressed day after day in the nurture of My words; now showing all My voice in robes of finer than gold, yea one light, one robe transparent, all stones lit and choosing, yea only Me; righteousness protruding not, yea nothing, but yea righteousness having been brought forth, and bringing forth, yea that which is fine; fine, and on My table, his body and bread.

6. See what I have witnessed. See what I have done, not; but helped nurture/brought forth: Father's heart, yea and all things under Me; Me/thee. I love you.

7. We are one. All-one-consciousness/conscious/be, yea in mortification not, but to royalty; the royalty of the Kingdom, the Kingdom of One; one heart, one blood, one mind; slaying all others with our love; riding Faithful and True/My word. Amen.

8. Just the beginning; My word flows like water, not; many waters, many seas, many oceans, many vessels on it/Me; yea now finding their way, knowing Me; compassing Me about, not; but yea compass having, and gyro-compass internal now; fixated on a star, not; but hones always into Me/Father's heart, yea words of love, beauty, passion, peace, freedom: Father.

9. Thank you for reflecting/being Father's heart/Father Himself; Father having been brought forth/bringing forth, yea being now the Mighty Many through your words of power, love, authority, forgiveness, restoration, healing, yea and who can see Me 10,000 x 10,000 to the 10,000th, and yea then just beginning; having just begun to move in the spaces that are only Me/Mine/yours/ours, yea and theirs in The Great Surrender to the love/heart of our Father. Amen and Amen.

10. And we have just begun when? Yea again, and again, and eternal life is knowing the Father, yea being the Father; His word real and true. I give you Me. I love you, dust-man-no-more; My word fleshed in both kingdoms and bringing Mine to all. I love you.

Amen
